Explore the Smithsonian, Museum of Natural History in Washington, DC.

A VIRTUAL FIELD TRIP

My name Ugh. Ugh need help finding friend, Lucy in museum. Ugh found directions but have bad sense of direction. Please help find friend and help us find exit:

1. See the elephant, turn around and go past the elephant to the dinosaurs.
2. Explore the dinosaur exhibit.
3. Find the fossil lab.
4. Look around Africa
5. Find the big whale
6. Lucy is just past the whale
7. Keep going until you get to mammal hall
8. Exit by the tiger
