What does my child need to wear?

Comfortable clothing that allows them to move and get messy. Layering is recommended, as students will participate in indoor and outdoor activities. Closed-toe shoes are highly encouraged (tennis shoes are recommended) to ensure student safety. Camps for ages 5-7 will include water slide fun! Please pack a swimsuit and towel for your child if they would like to participate.

Is there a COVID-19 safety protocol?

Keeping our students, staff, and families healthy and safe is important. Masks are optional for all students attending camp. As of April 2022, only staff will be required to wear masks and families will be updated if there is any change. Regular handwashing procedures will be built into the schedule and staff will be responsible for cleaning and disinfecting tables and frequently used materials.

For the safety and health of all our children and teachers, sick children need to be at home. Please do not send your child to the program if s/he is experiencing any symptoms of infectious illness, including, but not limited to, fever within the previous 24 hours without the use of fever-reducing medications, cough, sore throat, etc. Additionally, please do not send your child to programming if they have tested positive for COVID-19 within the last 10 days. Students who recently tested positive for COVID-19 can return to programming 10 days after the start of symptoms, they are fever-free for 24 hours without the use of fever-reducing medication, and their symptoms have improved.

Parents/guardians are required to notify Creative Action immediately if their child attended a camp and tested positive for COVID-19 within 48 hours of their attendance.

Do you take field trips or go swimming?

Students in the 5-7 aged camps will have the option to participate in a water slide day. Students in the 8-11 aged camps will have the opportunity for fun party bus celebrations and/or rides.

Behavior Policy

We believe every young person, parent, and teacher has the right to be treated with dignity and respect.

We believe every young person participating in a summer camp has the right to be safe, learn, and have fun while under our care.

We believe that in order for all young people to be safe, learn and have fun, rules and procedures must be established and implemented consistently and fairly.

We believe that there are consequences when rules and procedures are not followed and that the young people, parents, and teachers in our program all understand the consequences.

Creative Action expects all participants to behave with respect for themselves, each other, and our environment. If a student exhibits disrespectful behavior towards another participant (such as name-calling, put-downs, other demeaning language/actions, physical violence and/or destructive behavior towards their surroundings), Creative Action staff will address the situation immediately with all parties involved. If the behavior repeats, the student will take a break with the Camp Administrator who will inform parents/guardians at pick-up time. If the behavior persists, the student and Camp Administrator will brainstorm and document strategies for improvement (as appropriate by age), and outline logical consequences for continued disrespectful behavior, which will be shared with parents/guardians at pick-up time.

Continued disrespectful or harmful behavior towards one or multiple participants will result in immediate parent/guardian notification, and potential removal from the camp at the discretion of the Camp Administrator and/or Camp Director. While Creative Action will make every reasonable effort to support the behavioral and developmental needs of each student in the program, extreme physical violence may result in immediate removal from the camp for one or more days at the discretion of the Camp Administrator and/or Camp Director.
