What is the daily schedule?

Please notify the site coordinator via email or text if you will drop off your child after 9:00 am. Late fees will be accrued for any student signed out after 4:30 pm.

What does my child need to bring?

Please provide a sack lunch, plus a morning snack. Creative Action will provide an afternoon snack. Refrigeration and microwaves will not be available. You may also pack a water bottle and any sunscreen or bug spray your child may need. Please label all belongings.

Is there a COVID-19 safety protocol?

Keeping our students, staff, and families healthy and safe is important. All staff will be required to wear a mask, however, masks are optional for students and their families. Regular handwashing procedures will be built into the schedule and staff will be responsible for cleaning and disinfecting tables and frequently used materials.

For the safety and health of all our children and teachers, sick children must be at home. Please do not send your child to the program if s/he is experiencing any symptoms of infectious illness, including, but not limited to, fever within the previous 24 hours without the use of fever-reducing medications, cough, sore throat, etc. Additionally, please do not send your child to programming if they have tested positive for COVID-19 within the last 5 days. Students who recently tested positive for COVID-19 can return to programming 5 days after the start of symptoms if they are fever-free for 24 hours without the use of fever-reducing medication and their symptoms have improved. They will be required to mask through day 10.

Parents/guardians are required to notify Creative Action immediately if their child attended a day camp and tested positive for COVID-19.

Can I bring food with nuts?

No. Creative Action has implemented being a peanut-free facility due to life-threatening allergies.

What does my child need to wear?

Students should wear comfortable clothing that allows them to move and get messy. Layering is recommended, as students will participate in indoor and outdoor activities. **Closed-toe shoes are highly encouraged (tennis shoes are recommended) to ensure student safety.**

Do you take field trips or go swimming?

We do not.
